ABOUT ME

I am a responsible and ambitious individual with a strong desire to expand my knowledge in the field of telecommunications. I am always ready for professional development and eager to learn. I possess very good communication skills and I am comfortable working in a team and collaborating with colleagues. Currently, I hold the position of student vice dean at the Faculty of Transport and Communications. During my education, I had the opportunity to take part in internships with public city institutions, as well as with BH Telecom. These experiences have helped me to enhance my existing knowledge and skills.
